

Spirits were high at the Wings, Wheels & Wishes inaugural JetPort Reception benefiting the Make-A-Wish Foundation of Central and Northern Florida. The exclusive event took place Oct. 16 in the Avantair hangar at the St. Pete/Clearwater Airport and featured an array of private aircraft, luxury car collections and custom watercrafts. Local restaurants provided food and cocktails. The Suncoast Make-A-Wish Foundation raises funds in Hernando, Hillsborough, Pinellas, Polk and Pasco counties to grant the wishes of children with life-threatening medical conditions.
